To ensure that you receive the puppy you requested we require a deposit in the amount of one half of the full price of the puppy. We accept cash, money orders, checks, and credit card via Paypal. If paying by check, the deposit agreement will not be considered binding until the check has cleared.

Part of this deposit (\$100 per puppy) is **non-refundable**, except in the case that the puppy can not be sold due to illness or other unforeseen circumstance on the seller's behalf. In the unlikely event that this occurs, you will be given the option to choose another puppy if available, or receive a full refund of your deposit.

When you pick up your puppy, the remainder of the purchase amount must be paid in cash, money order, or via Paypal. NO checks.

The "Ready" date is an estimated date, and the earliest by law that we can sell a puppy; however, we also require that our puppies are of sufficient weight before we let them go to a new home. Because of this, we will occasionally need to keep the puppy a little longer than the ready date, especially with smaller toy breeds such as Pomeranians. This does not mean your puppy is not healthy! Some puppies just gain weight a little slower than others.

Your purchase price includes the following:

- Purchase Agreement/Warranty
- Medical Record
- Veterinarian Health Statement
- USDA Disposition of Puppies form
- APRI Registration papers if applicable (Purebred puppies only)
- AVID microchip with life time PETtrac enrollment and dog tag
- Approximately one week's worth of high quality puppy food
- Nutrical – 1 tube (As needed – depends on breed, weight, travel distance, etc)
- After-sale care instructions and recommendations

NHP reserves the right to cancel this agreement and return the deposit at any time.

I, the buyer, agree to the terms and conditions of this deposit.
